Dear Applicant:

Congratulations on your plans to open a business in Grandville. This is to notify you that a license must be obtained before commencing business in the City. Each kiosk must be licensed individually and will be cancelled if the business closes and leaves the mall. Upon return to the City of Grandville to do business, a new license will be necessary for a \$25 fee. No more than one business may operate under one license.

Please find enclosed three forms, an application for kiosk license, and emergency forms for our Police and Fire Departments. Please return all forms and a check for \$25.00 made payable to the City of Grandville, Attn: Business Licenses. This fee is a one-time charge at the time you go into business.

Hereafter, each June you will be asked to renew (update) your license on a no-charge basis. You will receive renewal forms to complete and return to us by July 1st. If you fail to return the renewal forms by July 1st, your kiosk license will be cancelled. A new license and a \$25 fee would be necessary in order to comply with local license.

If you have any questions regarding licensing procedures, please contact the Business Licensing Department at (616) 531-3030.

Sincerely,

Business Licensing
City Clerk's Office
